Bicentennial Celebration of Founding of Radhasoami Faith - The Ultimate Reality

August 24, 2017

Evolution of Dayalbagh Radhasoami Satsang Way of Life : A New World-Order (Economy, Polity and Spirituality) & The Life and Teachings of Param Purush Puran Dhani Huzur Soamiji Maharaj

PEEPAL MANDI

राधास्वामी नाम जो गावे सोई तरे ।
When the strains of this first prayer composed almost two centuries ago by Param Purush Puran Dhani Huzur Soamiji Maharaj, Radhasoami Sahab, rise at the crack of dawn every day above the morning sky of Dayalbagh or Holy Samadh at Soamibagh or Huzuri Bhawan at Peepal Mandi or Dera Baba Jaimal Singh at Beas or Radhasoami Parmanand Ashram at Delhi or

Kirpal Ashram at Ruhani Satsang or numerous Radhasoami centres all over India and all corners of the world, they all resonate with the Divine Promise of Param Purush Puran Dhani Huzur Soamiji Maharaj that "I shall be with one and all and they shall be looked after with more and more Grace."

As we are in the momentous bicentennial year of the advent of Param Purush Puran Dhani

Huzur Soamiji Maharaj on this planet earth in 1818, in commemoration of such an epoch-making event unparalleled in human history, which also marks the beginning of Dayalbagh Satsang way of life, the year-long celebrations included a Landmark Workshop organized at DEI Centre for Consciousness Studies on August 24, 2017, involving noted scholars from all over the world who have extensively studied Radhasoami Faith and its August Founder such as Prof. Mark Juergensmeyer, University of California at Santa Barbara, USA; Prof. Daniel Gold, Cornell University, USA and Prof. Diana Dimitrova, University of Montreal, Canada. Delegations from other Radhasoami centres joined in the celebrations in a feeling of brotherhood at the invitation of President, Radhasoami Satsang Sabha. The visiting delegations included those from Radhasoami Satsang Beas led by Mr. J.C. Sethi, Secretary; Sawan Kirpal Ruhani Mission led by Mr. I.R. Malik, Head Foreign Office; Radhasoami Parmanand Ashram Delhi led by Mr. Naveen Gupta and Huzuri Bhawan, Peepal Mandi (Agra) led by

Mr. Sumir Mathur, grandson of Revered Dadaji Maharaj. The Radhasoami Satsang Sabha delegation was led by Mr. Prem Prashant, President.

Vision Talk entitled, "Complete Neuro-Theology as Ultimate Reality : Science of Consciousness" was delivered by Revered Prof. Prem Saran Satsangi, Chairman, Advisory Committee on Education, Dayalbagh Educational Institutions. It was stated that to promote East-West integration, Janmashtami was celebrated on August 15 according to eastern tradition and on August 24 according to western tradition. Systems Society of India is a well-educated society and its members understand quantum mechanics, topology and graph theory and are at the fore-

front of our collaborative programmes with University of Waterloo. Lunch was hosted by Revered Leader of Dayalbagh for all visiting delegations seated in a round-table mode. Panel Discussion moderated by Mr. Prem Prashant was widely appreciated by the visiting delegations as very illuminating. Consensus emerged that humility and surrender to the Supreme Being are essential along with selfless service.

The Workshop was transmitted to all branches and centres in the e-Satsang cascade and Central Satsang Hall at Dayalbagh. The evening Satsang was also attended by the delegations from Radhasoami Satsang Beas, Sawan Kirpal Ruhani Mission and Parmanand Ashram where sale of balm

was held for nearly 4000 persons including those who had attended the workshop in video-conferenced mode.

The Workshop carries forward the integrationist efforts started by Mural Declaration in June 2010 for promoting brotherly relations among all Radhasoami centres, followed by SPIRCON and Conclave of Leaders of various Radhasoami sects in November 2010 and visit of Revered Leader of Beas Satsang to Dayalbagh in March 2011. As a gesture of goodwill, Dayalbagh has withdrawn all cases in courts of law against the Central Administrative Council and Radhasoami Trust, Soami Bagh in November 2016. This event, involving delegations from various Radhasoami centres, lays the groundwork for an extensive Workshop and Conclave planned around Janmashtami 2018 involving the Revered Leaders of major Radhasoami centres and/or their delegations at the closing of the Bicentennial Celebrations 2017-18.

O Lord! Our community, numbering a couple of millions only is extremely small when compared to the total number of human beings

on this earth who number over seven billion and the number of human beings is infinitesimally small when compared to the number of other living beings on this earth! And this our earth itself is only one of the smallest units in our solar system and there are innumerable Pinds and Brahmandas in the present creation. And all these innumerable Pinds and Brahmandas taken together form only a part of the Nether Pole of the creation, which may be compared to a cloudlet in the vast expanse of the firmament. And Merciful Radhasoami, Thou art the Creator and Lord of all this vast creation! And all this vast creation is within Thee! And when we think of ourselves as no more than a speck of dust and all our innumerable weaknesses, we lower our heads in shame at our insignificance and our shortcomings. Such, O Lord, is Thy Infinite Majesty and Grandeur and such our insignificance! And still Thy Grace and Mercy is unlimited and unbounded!

May this bicentennial year carry the Message of Huzur Radhasoami Dayal all over the Cosmic Universe and bring light and cheer to all living beings forever every-

Integrated East-West Forum at The Science of Consciousness Conference

TSC 2017 (June 5-10, 2017), San Diego, USA

A large delegation from DEI, comprising around 50 faculty members, research scholars and students visited San Diego for The Science of Consciousness Conference (TSC 2017) organized at San Diego from June 5-10, 2017 for both the Integrated East-West Forum on June 5 as well as the main event in the following days. A pre-event rehearsal was also organized at DEI on May 17, 2017.

The Integrated East-West Forum on June 5 was held in video-conferenced mode with DEI, Dayalbagh. The Vision Talk entitled "From n-Qubit Multi-Particle Quantum Teleportation Modelling to n-Qudit Contextuality based Quantum Teleportation and Beyond" was delivered in video-conferenced mode from DEI by Revered Prof. P.S. Satsangi, Chairman, Advisory Committee on Education, Dayalbagh Educational Institutions. Panel Discussion was held on "Consciousness : Integrating Eastern and Western Perspectives" with notable inputs from DEI also. World

renowned scientists evaded a response and could not put forth a single argument when confronted with the question of zero and infinity and pink noise. Among the experts at the Integrated East-West Forum were Prof. Stuart Hammeroff, Prof. Rocco J Gennaro, Prof. Paavo Pylkkanen, Prof. Jack Tuszynski, Prof. Thomas Bever, Prof. P. Sriramamurti, Dr. Anirban Bandyopadhyay, Prof. Subhash Kak, Prof. Mani Lal Bhaumik, Mr. Prem

Prashant, Dr. Anoop Srivastava and Dr. Bani Dayal Dhir. In the subsequent days, DEI delegation participated fully in the main event from June 6-10. DEI posters were displayed on June 7. The Poster session involved lot of discussion and continued till late in the evening. The next TSC 2018 conference will be held at Tucson, Arizona in April 2018 and DEI has been invited to conduct Integrated East-West Forum on April 1, 2018.

Second Indo-Canadian Research Colloquium (UW and DEI : Education and Research in Dialogue)

June 2, 2017 at University of Waterloo

Indo-Canadian Research Colloquium (UW and DEI : Education and Research in Dialogue) was organized on June 2 at University of Waterloo in video-conferenced mode with DEI by TSC delegates on way to San Diego. The Vision Talk was delivered in video-conferenced mode from DEI by Revered Prof. P.S. Satsangi, Chairman, Advisory Committee on Education, Dayalbagh Educational Institu-

tions. The five-decade old DEI-Waterloo relationship is a model one, culminating in an MoU between the two Institutes in 2008, further renewed in 2013 and again being renewed for another term of five years. This joint colloquium elevated the flourishing relationship between our Institutes to even loftier horizons, in the words of Prof. Peter Roe in his address to the colloquium.
